### RESURRECTION

*And you He made alive, who were dead in trespasses and sins.*

Ephesians 2:1 (NKJV)

Easter is all about resurrection. In our hemisphere, it coincides with springtime.

All around us we see the annual miracle of resurrection take place. For me, the earliest sign of spring is the pussy willow. In February, I make it a point of going to the farmer's market and purchasing a bunch that comes directly from the farm.

They are so soft and beautiful! I have a vase filled with them in my living room.

What would life be without the hope of resurrection? How unbearable would winter be if there was no hope of spring? When we watch the leaves shrivel and die in the fall, how would we feel if we didn't know they would bud again one day?

So it is when we lose our loved ones to death. It seems many of us have experienced that over the past year. How deep would be our grief if we did not have the hope of seeing them again?

Jesus is all about resurrection. He foretold of his own death but then added, 'I will rise again!' Matthew 26:32 records, 'But after I have been raised, I will go before you to Galilee.' This was incredulous to the disciples. They could not believe it. For a while they did not believe it even after it happened. But they became believers. The gospels record that Jesus rose from the dead and convinced his disciples of that fact with 'many infallible proofs' Acts 3:1.

After that things were never the same. They went everywhere and communicated the good news that Jesus was alive. They gave people hope that death is not the end. Death is not a period but a comma. There is more to come! The world has never been the same since.

There are two kinds of resurrection. The Bible talks about the resurrection of our bodies in the same way that Jesus was resurrected. In fact, his resurrection is offered as proof that one day it will happen to all of those who believe. Paul wrote to the Corinthians that if we try to be Christians without this hope we are of all people 'most miserable.' He wrote, 'If in this life only we have hope in Christ, we are of all men the most pitiable' 1 Corinthians 15:19 NKJV. Resurrection is our hope when we lose our loved ones. It is our hope when we face our own hour of death.

Yet there is another kind of resurrection. For many, it has already happened!

It is the resurrection to new life in Christ. That is why Paul wrote, 'And you

He made alive, who were dead in trespasses and sins.' When we were

spiritually dead and cut off from God because of our sin, Christ made us alive.

We have been given the life of the Spirit. Our spirits have been made alive.

Life has taken on a whole new meaning as a result.

This resurrection is available to all who ask. It is not based on merit but on God's free gift. This Easter, dare to hope! If you have not already done so, take this gift of life for your own.

Receive the new life offered by God through the Spirit.

All one has to do is ask.

In this resurrection season, my prayer for you and yours is that the renewal of springtime and the new life that God offers will seep deeply into your souls, and that everything you are and everything you do will be touched by the energizing life of the Spirit. Happy Easter!

## CHOIR NOTES ...

It was music to our ears to learn of the safe arrival of **Gemma Louise McMann** in the wee hours of the morning of Friday, March 2 weighing 6 pounds 15 ounces.

Happy mom and dad are Kimberley and Sean McMann and big brother James. We were especially glad to meet Gemma last Sunday when she was brought to McDougall to say "hello" to the choir and congregation. A little sweetheart for sure!

We also welcome our pianist/organist **Elsie Hoover** to the helm as Choir Director while Kimberley is on leave until June 30, 2018. How fortunate we are to have this talented musician stepping up to the plate so capably! Thank you, Elsie!

## BISSELL SANDWICH-MAKING

We regret that effective immediately, the Bissell Centre has suspended the intake of all food made in external kitchens. Health inspectors have made this necessary. This means **we will no longer be making sandwiches each month, or lunch for the Inner City Pastoral Ministry (ICPM) once a year.** However, **money received in support of these projects will be sent directly to the Bissell Centre to sponsor and support their lunch bag project, which replaces the sandwich-making.**

We will keep you informed of further news or ways we can help. **Please keep your financial support coming! THANK YOU.**
